Hi Taylor,

Thank you for reaching out and apologies for the delay response. As Susan noted, we are in a transition with ACC Board members so appreciate your patience. That said, Taylor could you please send copies of the plans you have for your garage addition. The ACC Board is planning to meet next week so we will review your request and let you know if we have any questions.

Thanks,

Jackie Rivera

Hello Jackie!

We are looking at doing an attached garage addition. Permit department says we need a letter from the ACC. How and what would we need to do to get that approval.

Thank you!
