Hope all is well and you are having a great week. I spoke to Jose briefly this evening and he shared he has been in Surrey Ridge for 5 months. I shared SR website as well as our email addresses.

Please review this request and share what questions, comments you may have. I will review in more detail tomorrow and share my comments.

Jackie -

I did not see your approval or comments in regard to the requested garage as of today. I may have missed it as it is a busy time of year. Are you able to provide your input or point me to the email I may have missed. I would like to get back to Jose asap.

Thanks a bunch. Hope all is well.

Regards,
Desirey Laine-Van Why

Hi Desirey,

Apologies...I did not send my approval so you did not miss it ☺ After reviewing the plans, I agree and approve this request. I have no concerns based on the plans submitted.

Jose actually texted me today asking for a status. I let him know we had no questions and I would follow up on when he could expect a letter with our approval.

Thanks again!

Best regards,

Jackie
