

Surrey Ridge Architecture Committee

May 07, 2024

Dear Kim Blanding & Dan Torre,

The Architectural Control Committee of Surrey Ridge has reviewed your submitted plans for fixing up the current barn, replacing broken boards, then painting it white to match the house, adding a 12x16 shed next to it for hay and tack storage and adding a tall screen to store manure behind at 9294 N Surrey Drive. The ACC finds your plans to be in compliance with all applicable covenants. Therefore, we approve your proposed project.

We wish you the very best with your project and look forward to its successful completion.

Sincerely,

Sarah Stocking
Desirey Laine-Van Why

The Architectural Control Committee of Surrey Ridge
