

SURREY RIDGE HOMEOWNERS BOARD MEETING

December 1st, 2014

In Attendance: Teena Gonzales, Terry Boger, Valerie Miller and Monica Doyle, John Thomas

Vice President John Thomas ran the meeting,

TREASURER'S REPORT:

The HOA has paid the insurance and the newsletters expenses last month.

REPORTS FROM OTHERS BOARD MEMBERS:

The minutes were approved with corrections.

Teena Gonzales and John Thomas are working in the signs for future events. We agreed that we will need two more signs for the neighborhood entrances.

The HOA received a letter from the Hindman Sanchez law firm, offering their services. The board declined their services.

The HOA also received a Zoning Resolution from Douglas County. The board reviewed for anything which could affect the neighborhood.

The ACC had nothing to report.

Terry Boger met with Wistar Hart about the damage to the horse trails. The board is reviewing and will schedule work days, etc. when the weather warms enough to be worked on. Some erosion has occurred in the areas Douglas County had worked on. The board will coordinate with the county in addressing this erosion.

NEW BUSINESS:

The next board meeting will be January 5th – 6:30pm at Teena Gonzales' house.

The meeting was adjourned

Respectfully submitted,

Monica Doyle
