## Equestrian Committee Update

Our trails have stayed in good shape  
over the summer although the recent  
gully washers have exposed a fair  
amount of small rocks on some of them.

There are two projects on the horizon.  
The first project is the arena. This fall,  
we will be removing the weeds from  
the Surrey Ridge arena and hauling in  
several inches of sand. The intention  
isn't to create a professional riding  
arena (requiring a different approach  
and much more sand) but rather a  
consistent surface that can be more  
easily maintained.

The second project is to hire a  
professional to use a masticator to open  
up several of the Surrey Ridge trails  
that have become choked by scrub  
oak. There are areas where the official  
trail is no longer rideable, and the trail  
has ventured on to private property. In  
two cases, there are new houses being  
built and so the official trails need to be  
reopened. John Wittry will be engaging  
with the homeowners on either side of  
the trail before any work begins.

If you see any trails that you think need  
attention, please don't hesitate to reach  
out to John, e-mail address is  
[john.wittry@alt2consulting](mailto:john.wittry@alt2consulting) and his  
phone number is (720) 486-5345.

## SPEEDING...Douglas County sheriff officers request license plate numbers and vehicle descriptions be reported

At National Night Out several HOA members and neighbors met with some  
Douglas County Sheriff officers to discuss speeding in Surrey Ridge. The officers  
requested that anyone who sees a speeding vehicle report the license plate  
number and vehicle description to the Douglas County Sheriff Office.

Going forward neighbors' license plate numbers and descriptions of the car/truck  
that is speeding can be reported to the DCSO.

Two vehicles that have been noticed speeding are a white Audi SUV and a black  
Ford Raptor truck. Please slow down.

There are children on the roads walking and riding bikes, dogs who occasionally  
get out, walkers and cyclists. **Many neighbors DO NOT understand why  
residents CONTINUE TO SPEED.** One child hit or killed will be tragic and ruin  
many peoples lives. AND, tell your teen drivers to slow down too.

## Dues update

The SRHOA Board would like to thank everyone who participated in this year's  
voluntary dues collection. We are delighted to report that neighborhood participation  
is up this year! Your voluntary payment goes toward insurance and maintenance of  
our trails and open space area, along with funding the great neighborhood events  
that take place throughout the year. If you still wish to participate, you may send a  
check for \$75.00 to:

**Surrey Ridge HOA, 558 Castle Pines Parkway, Unit B4-212, Castle Rock, CO 80108**

## Who let the dogs out- woof?

Surrey Ridge is indeed a dog friendly community. Our pets are truly "lucky dogs" to  
be living with us in such a great place. Most neighbors are very cooperative when it  
comes to our furry friends and their canine behaviors. Lately there have been several  
reports of dogs loose in the neighborhood without identification tags. Wonderful  
neighbors have made great efforts to locate the owners, and in most cases the stories  
have happy endings. This is a friendly reminder to please do your best to keep dogs  
from wandering, and if they happen to get out- like they sometimes do, it would be  
very helpful to have identification tags with contact information. This will make it  
easier for our neighbors to help the dog get back home quickly and safely.

Important note: If you encounter a stray dog that acts aggressively toward any person  
or your pet, do not hesitate to contact the Douglas County Sheriff and/or Douglas  
County Animal Control.

DC Sheriff: **911 Emergency**, or **303-660-7500**

DC Animal Control: **303-660-7529**

continued. on back..

## National Night Out

Surrey Ridge residents recently had a wonderful time at National Night Out! National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances. Several departments within the Douglas County Sheriff's Department visited Surrey Ridge Park to mingle and play yard games with our residents. Root beer floats were enjoyed by all!
